

Map the System Campus Lead

Alita Vaz

Alita's role as Map the System Campus Lead has to do with all things Map the System at MRU. She is passionate about empowering the next generation of changemakers to tackle complex challenges. Alita participated in Map the System 2023 where her team tackled the issue of cultural identity crisis amongst third-culture Canadians, which won the campus finals. As an information design graduate, Alita is passionate about Systems Thinking and communicating complex idea through design and hopes to encourage as many students as possible to take part in this program. When Alita is not working, she enjoys painting, reading, travelling and hanging out with her dog!
