

SDG Student Coordinator

Majd Daqqa

Majd is driven by a passion for social innovation and advocacy. With a bold and disruptive mindset, he fearlessly challenges the status quo and introduces new ideas. Drawing from his experiences as a proactive student, Majd brings a diverse skill set to the round table, which he helps preserve. His values of Inclusivity, intentional collaboration, and action-oriented impact are evident in his work as he spearheads initiatives at Mount Royal University and the community.

As a Junior Coordinator, Majd is building upon his previous work in the IDEA (Inclusivity, Diversity, Equity, & Accessibility) space. Focusing on the Sustainable Development Goals (SDGs), which encompass social, environmental, and economic directives. Majd strives to inspire change-making among the MRU community while advancing the SDGs. With his passion, knowledge, and drive, Majd is a catalyst for positive transformation and social impact.
