### SECURITY OFFICER

#### Why join us?

We work and play in Canada's most beautiful playground, Banff National Park, and you can too. Sunshine Village is the premier ski resort in Western Canada. If you want to be part of making our guests' ski experience unforgettable and think a winter season skiing and riding on the best powder in the Rockies would be great too, then read on...

#### What's in it for you?

- A ridiculously cool life experience
- Free ski pass for Sunshine Village and super deals at other resorts
- A plethora of lively staff events all season long
- Marvelous discounts on ski gear, food & drinks and transportation.

#### What can you expect?

Security provides an outstanding experience for our guests by providing protection and surveillance to Sunshine Village guests, staff and property. The role is complex but has a basic common responsibility to observe, record and report findings that are outside normal situations. The normal situations may include interactions with guests and staff, contractors, and visitors to Banff National Park- where Sunshine operates its business. As well, there are other situations where attention to detail and reporting requirements are increased, i.e. when dealing in issues involving the National Fire Code, the Criminal Code of Canada, and the Trespassers Act.
